## Details

Archetypes of Internal Motivations	Justice, reliability and acceptance
What makes her happy	adventure, excitement, novelty and change. Breaking down barriers and any forms of physical constraints and limitations. Sampling all the joys life has to offer.
Her deep motivation is	the pursuit and advocacy of ideas, truth and knowledge. Advancement of some form of expertise and professional growth. Illuminating and inspiring others to make the world more perfect. She is amazing at seeing the bigger picture.
To cheer her up	plan a surprise party or a spontaneous trip. She requires that others listen to her amazing stories, so make sure you provide her with your full attention. She loves a sense of thrill, so any new, fun and interesting activity will immediately make her eyes sparkle.
Acknowledge her desire to be	Independent and free.
Most disturbed by	chaos, poor organization, betrayal.
Key to successful relationships lies in	discovering trust and opening up to new knowledge
Be patient	when she gets too critical, perfectionistic and impatient. She must learn that in order to accept others, she first needs to accept herself as she is.
In addition, she is also attracted to	authority, powerful people and maybe even healers, group dynamics and making sure that people are taken care off. Approach her with respect and appreciation, and she will help you heal your wounds.
Aspects of Personality	Null
What is she like on an average day	she easily connects with people, enjoys teaching, discovering new projects, and learning. She likes adventures and a chance to experience life fully. She wants to sample life's pleasures and break through restrictions so that she can eventually share these experiences with others.
On a tough day	because of a strong need for respect and autonomy, she might occasionally appear too materialistic and power-hungry.
She typically communicates	clearly, focusing on providing advise, analysis or a plan for action.
Help her avoid experiencing	any kind of loss or humiliation.
In addition, she is a kind of person who	Null
Externally, people perceive her as	optimistic and cheerful.
Archetypes of Challenges	Emotionality, jealousy
When feeling out of balance	she should nurture herself. Have a good meal. Watch a comedy film. Get to feeling good. When out of balance, will get some bad habits or behaviors going that are either a subtle or not so subtle form of self-destruction.
Lessons and challenges	'revolve around the phrase: 'you should have done this for me', or 'someone ought to fix that', or 'I did this for you, so you should do that for me because that's fair and balanced.'
What areas of life will require some effort to master	learning to let go, and not abuse her own power, which comes naturally to her. Instead of controlling, she can focus on healing and helping others avoid trouble. Knowing that through the positive support of others, things which he fears to loose, will come back to her. Learning a balancing attitude towards money - expressed as either too much taking or too much and giving - driven by the fear not charging a fair price for his services.
To help her	ecourage to do some breath meditations, physical exercise, and yoga. Learning how to balance personal power is key. Help her boost a healthy sense of personal power. Encourage delegatation and collaboration rather than doing everything alone. Develop philanthropic projects.
Archetypes of Talents	'Communicates with ease and pursues opportunities
Gifted at being	'Empathetic and loving of others
She has a natural ability	'of being adaptable to various circumstances and changes. Able to see opportunities for learning and exploration. Is a great survivor in crisis mode because of flexibility to keep trying
