## Going Deeper

Archetypes of Internal Motivations	Creativity, self-expression and self-esteem
Acknowledge his desire to be	Supported and included.
What makes him happy	integrity, vision, purpose, mastery and inspiration. A pursuit of innovative and cutting edge concepts and ideas energizes him. He loves being the lighthouse, spreading the light of truth to many.
His deep motivation is	freedom, independence, learning, new experiences and receiving attention from others. He has a lot of interesting stories to tell and can easily become the life of the party. His optimism is contagious.
To cheer him up	plan a surprise party or a spontaneous trip. He requires that others listen to his amazing stories, so make sure you provide him with your full attention. He loves a sense of thrill, so any new, fun and interesting activity will immediately make his eyes sparkle.
Most disturbed by	when cannot work by himself.
Be patient	when he gets too rigid and stubborn. He must learn how to be generous, forgiving and flexible.
Key to successful relationships lies in	discovering a creative side, optimism, nurture and self-expression
In addition, he is also attracted to	loyal, reliable partners with a sense of duty, who can be great counselors and planners. He highly values the ability to provide advice and analysis of a given situation.
Aspects of Personality	Null
What is he like on an average day	he easily connects with people, enjoys teaching, discovering new projects, and learning. He likes adventures and a chance to experience life fully. He wants to sample life's pleasures and break through restrictions so that he can eventually share these experiences with others.
He typically communicates	harmoniously, often finding ways to be supportive.
Help him avoid experiencing	any kind of loss or humiliation.
On a tough day	because of a strong need for knowledge, and personal space, he might occasionally appear too cynical, reclusive, and untrusting.
In addition, he is a kind of person who	is understanding, conscientious, loving and has a strong personal values system. Pays attention to beauty and taste, as well as popularity. Who can be the best 'partner in crime' when he feels they have a common goal and shared values with that special someone.
Throughout life, he is mastering	consistency, concentration and reliability. Living up to the words.
Externally, people perceive him as	optimistic and cheerful.
Archetypes of Talents	Exemplifies intuition, innovation and wisdom
Gifted at being	an independent expert
He has a natural ability	'of being adaptable to various circumstances and changes. Able to see opportunities for learning and exploration. Is a great survivor in crisis mode because of flexibility to keep trying new solutions. Gifted with the ease of communication and a quick learning mind. Can be a natural teacher or a business person. An affinity towards creating social freedom.
Archetypes of Challenges	Wild side, rebel, freedom
Lessons and challenges	revolve around the phrase: 'something can go wrong here if I don't control is completely.'
What areas of life will require some effort to master	'learning that after every down, there is an up; developing internal strength to recover from a bad mood or an emotional swing, without blaming others. Can act childishly and maybe even self destructively. Seeks pleasure in food, or other external remedies to alleviate pain.
To help him	offer support in the areas of indecisiveness and potential over-sensitivity. Stop holding on to emotions for too long. Advise him to speak out more, developing self-confidence and self-reliance.
Key to resolving challenges	needs to enhance self-esteem and self-acceptance.
When feeling out of balance	he should not make too many promises and over burden himself. Stop being too rigid with words. Lighten up on the word 'should' – warm up his heart and accept things as they are.
