Going Deeper

Archetypes of Internal Motivations	Steadfastness, discipline and process
What makes him happy	being in charge, leading the way, feeling independent and courageous.
His deep motivation is	the pursuit and advocacy of ideas, truth and knowledge. Advancement of some form of expertise and professional growth. Illuminating and inspiring others to make the world more perfect. He is amazing at seeing the bigger picture.
To cheer him up	tell him a joke or a fun story or go out for a quality meal and movie. He loves to make a meal at home too. Ask him to help you solve some personal problem, and he will be showering you with 'out of the box' solutions. Provide him with an opportunity to express his creative ideas.
Acknowledge his desire to be	Fair, caring and popular.
Most disturbed by	injustice, high risks, criticism.
Key to successful relationships lies in	discovering healthy personal freedom and a sense of adventure
Be patient	when he gets a little too clingy or emotional. He still has to learn how to develop healthy personal boundaries and that 'no' is a complete sentence.
In addition, he is also attracted to	justice, mediating conflict, taking care of people's needs, beautiful art and a safe and cozy home.
Aspects of Personality	Creativity, problem-solving, entertainment, sales
What is he like on an average day	he is good at thinking defensively in a role of reliable team mediator. He likes a warm and safe home and family, and a loving and just environment. Magnetically popular, he can take care of many with his warm heart.
On a tough day	because of a strong need for ethics and empathy, he might occasionally appear too impulsive and emotional.
He typically communicates	with directness, command and executive authority.
Help him avoid experiencing	others keeping secrets from him and not being allowed to retreat into private space.
In addition, he is a kind of person who	is refined and someone who can fulfill his intellectual hunger, and preference for mental reasoning and analysis. Deep, insightful conversations are his biggest turn-on.
Externally, people perceive his as	popular and empathetic.
Archetypes of Challenges	Emotionality, jealousy
When feeling out of balance	he should go to a yoga class, do breathing meditations, jog, reconnect with personal power, and don't over-stretch financially.
Lessons and challenges	revolve around the phrase: 'if only you would be this way or that way.'
What areas of life will require some effort to master	'learning to moderate senses, and to be a team-player. Success is not achieved alone. Can benefit from a wiser and older role model. Learning that not everything is about him. Mastering accountability, consistency, and effective communication.
To help him	explain that becoming narrowly focused on an idea or a belief system might result in overlooking important, human-level details and realities in relationships. Making sure there is a balance between the higher level idealism and the practical integrity that is serving others in proximity, not just in an imaginary remote future. Mastering personal discipline, and easing up on over-zealous and hyper-sensitive attitudes. Overall, help him not to get too caught up in the head, and to use the heart more.
Archetypes of Talents	Exemplifies intelligent and analytically strong mind
Gifted at being	courageous and strong
He has a natural ability	'to work hard within a structure that values details, tradition, dedication and loyalty. Can work with numbers, words, and any other structures well. Can be of service and provide counsel to others remaining neutral and balanced. Steady, trustworthy, and will not give up easily.
Key to resolving challenges	needs to master accountability.
Throughout life, he is mastering	needs to master personal discipline, humbleness, and decreased focus on himself.
