## Details

Archetypes of Internal Motivations	Creativity, self-expression and self-esteem
What makes him happy	friendship, inclusiveness, receptivity and cooperation.
His deep motivation is	the pursuit and advocacy of ideas, truth and knowledge. Advancement of some form of expertise and professional growth. Illuminating and inspiring others to make the world more perfect. He is amazing at seeing the bigger picture.
To cheer him up	get on the same wavelength and discuss the plan for the day, or the best way in which to achieve a set goal. In communication, he is looking for facts, honesty and reliability. Ask him for advice and he will give you practical counsel.
Acknowledge his desire to be	Independent and free.
Most disturbed by	injustice, high risks, criticism.
Key to successful relationships lies in	discovering reliability and structure, while remaining flexible
Be patient	when he gets in a low, negative mood, when he becomes insecure or behaves excessively and childishly (like eating too many pastries or becoming stubborn about silly things). He must learn how to feel more neutral through the ups and downs of life by self-nurturing.
In addition, he is also attracted to	serving social issues and uplifting others as well as specialization and mastery. His passion is saving the world, one person at a time. Ask him to stand for a noble cause, and he will be all ears.
Aspects of Personality	Independence, leadership, initiation
What is he like on an average day	he easily connects with people, enjoys teaching, discovering new projects, and learning. He likes adventures and a chance to experience life fully. He wants to sample life's pleasures and break through restrictions so that he can eventually share these experiences with others.
On a tough day	because of a strong need for to win at at everything, he might occasionally appear too spread-out and stressed.
He typically communicates	with directness, command and executive authority.
Help him avoid experiencing	others keeping secrets from him and not being allowed to retreat into private space.
In addition, he is a kind of person who	is considerate and cooperation oriented, will listen attentively and offer empathy towards others.
Externally, people perceive his as	popular and empathetic.
Archetypes of Challenges	Control, stress, nervous system
When feeling out of balance	he should go to a yoga class, do breathing meditations, jog, reconnect with personal power, and don't over-stretch financially.
Lessons and challenges	revolve around the phrase: 'if only you would be this way or that way.'
What areas of life will require some effort to master	'learning that being stern and stubborn is not the way to attract other's help and participation. Finding a more neutral place, the middle ground will serve much better. Encourage attention to details and carefully chosen words.
To help him	'help him feel very secure about himself. There is probably some childhood wound that is still hurting that manifests in the negative behavior. Try doing (and completing) something creative and fun, where he can feel playful while remaining emotionally safe.
Archetypes of Talents	Exemplifies intelligent and analytically strong mind
Gifted at being	brings awareness to others
He has a natural ability	'in creative tasks and various forms of self-expression. Good problem-solvers and can also have an entrepreneurial side. Can enhance people's lives and nurture take care of people, feeding them, and uplifting their spirits.
Key to resolving challenges	needs to master accountability.
Throughout life, he is mastering	how to develop a positive mind, which sees good outcomes in situations, instead of just problems. Balancing out negative emotions.
