Going Deeper

Archetypes of Internal Motivations	Leadership, victory and courage
Acknowledge her desire to be	Optimistic and unique.
What makes her happy	integrity, vision, purpose, mastery and inspiration. A pursuit of innovative and cutting edge concepts and ideas energizes her. She loves being the lighthouse, spreading the light of truth to many.
Her deep motivation is	for things to be perfect, fair, and socially just. She loves to be considered responsible, and to have a high self-esteem. She feels best when everything is balanced and she feels at peace with the world.
To cheer her up	ask for her advice about something and then treat her to an expensive gift or meal. Also great to go for a run or some other fresh air exercise. She also enjoys to play the boss – allow her do so responsibly. She may surprise you with her pragmatism.
Most disturbed by	losing arguments, criticism.
Be patient	when she sounds harsh or get too obsessed with some idea. Some days you might feel extremely connected with her emotionally, whereas at other times, she may withdraw all of a sudden and feel totally different and cold. She must learn how to let herself go and how to freely follow her emotions, without being afraid to lose control. She sometimes confuses truth with just a strong opinion.
Key to successful relationships lies in	discovering healthy personal freedom and a sense of adventure
In addition, she is also attracted to	problem solving, optimistic viewpoints, imagination, kindness and children. she likes to entertain, humor and uplift.
Aspects of Personality	Accommodation, receptivity, diplomacy
What is she like on an average day	she is good at stable management roles, driving for both wisdom and power. Approach her with respect and appreciation, and she will help you heal your wounds.
She typically communicates	harmoniously, often finding ways to be supportive.
Help her avoid experiencing	broken promises, disloyalty, lack of order and punctuality.
On a tough day	because of a strong need for inspiration and vision, she might occasionally appear too inflexible and harsh.
In addition, she is a kind of person who	is energetic, determined, professional, attentive, responsible, powerful, and respected.
Throughout life, she is mastering	self-control over senses and over indulgence. Focus on giving something to others.
Externally, people perceive her as	intelligent and refined.
Archetypes of Talents	Exemplifies energizing and encouraging action
Gifted at being	courageous and strong
She has a natural ability	to elevate others through intelligence and analytically strong reasoning. Has deep knowledge and expertise to share. Inventive, creative and enjoys sifting through information like a detective. Can take time to retreat and be away from the world. Can be talented in sciences and music.
Archetypes of Challenges	Wild side, rebel, freedom
Lessons and challenges	revolve around the opinion about the way others should be like rather than they way they are.
What areas of life will require some effort to master	learning to let go, and not abuse her own power, which comes naturally to her. Instead of controlling, she can focus on healing and helping others avoid trouble. Knowing that through the positive support of others, things which he fears to loose, will come back to her. Learning a balancing attitude towards money - expressed as either too much taking or too much and giving - driven by the fear not charging a fair price for his services.
To help her	'encourage to listen to the needs of others. If partner asks to do a few chores, it does not mean they are suffocating her with demands. Relationship means compromise. Help overcome bad rabbits of over-indulgence or addictions. Might have felt trapped or constrained as a child, causing her to seek external freedom in adulthood. True freedom is inside.
Key to resolving challenges	needs to master process.
When feeling out of balance	she should feel ok to 'disappear' – that's her way of getting balanced. Restores an air of mystery. At other times, hanging out with a creative group of people can be helpful, but she needs to free to leave and return as she wishes. Open up a family photo album, or favorite poetry book, evoking positive memories and love.
